Mini-Com™ 45mm x 45mm Adapters and Adapter Kits

specifications

45mm x 45mm adapters shall be available in various ports and style configurations including spring-shuttered doors that protect connectors from dust and debris when not in use, and a sloped design for bend radius control. Adapters shall be compatible with standard 45mm x 45mm openings. Mounting tabs allow adapters to mount sideways when required. All adapters shall accept Mini-Com™ Modules for copper, fibre, and audio/video installations.

technical information

Mounting options:	Adapters snap into standard 45mm x 45mm faceplate openings
Number of ports:	1-port and 2-port configuration
Packaging:	Adapter kits include CBFAW plus the designated insert; select kits include labels and label covers
	Adapters include a dedicated single piece product; select adapters include labels and label covers

key features and benefits

Modular:	Accepts all Mini-Com™ Modules, which snap in and out for easy moves, adds, and changes
Shuttered feature:	Select adapters include spring-shuttered doors to prevent dust and debris from touching contacts when patch cords are not connected
Labels and label covers:	Select adapters include a label pocket and icon slots to meet TIA/EIA-606A labelling standards
Mounting flexibility:	Mounting tabs allow product to securely mount sideways when required
Sloped design:	Select adapters are sloped, allowing proper bend radius control

applications

Panduit™ Mini-Com™ adapters offer an aesthetic solution that complements work areas while offering modularity for installation flexibility. Mini-Com™ Adapters support all Mini-Com™ Copper, Fibre, and Audio/Video Applications.

As part of a global workstation outlet solution offered by Panduit, Mini-Com™ 45mm x 45mm Adapters mount to FAF80AW and to select industry standard frames that have a 45mm x 45mm opening. Panduit 45mm x 45mm adapters and adapter kits offer a variety of features: spring-shuttered doors to protect connections from dust and debris; single- or dual-port density; labelling and icon options; and sloped design for bend radius control.

Adapter Kits (Frame and ½-Size Insert)

Frame with 2-port flat insert:	CFPFF2AW*
Frame with 1-port sloped, shuttered insert:	CFPFS1SAW
Frame with 2-port sloped insert:	CFPFS2AW*
Frame with 2-port sloped, shuttered insert:	CFPFS2SAW*
Frame with 2-port sloped, shuttered insert with labels:	CFP45LS2SAW*

45mm x45mm Adapters (One-Piece Design)

45mm x 45mm frame:	CBFAW
1-port sloped, shuttered with label and icon slots:	CFPFLS1SAW
2-port sloped, shuttered with label and icon slots:	CFPFLS2SAW

22.5mm x 45mm Adapter

1-port shuttered:	CFA1SAW-X

Faceplate Frame

80mm x 80mm with 45mm x 45mm opening:	FAF80AW

Modules

All adapters can be used with Mini-Com™ Modules for copper, fibre, or audio/video applications. Visit www.panduit.com for the complete selection. Shuttered adapters are not suitable for use with any audio/video or fibre connector module that protrudes beyond the face of the insert.
