

Transformateur

Référence

TR-G2/24

Code

272484

Powering Business Worldwide™

Technische Daten nach ETIM 4.0

Width		mm	54 mm
Height		mm	60 mm
On/Off switches			false
Type of transformers			Standard bell ringing transformer
Modular version			true
Max. output current		A	0 A
Length		mm	90 mm
Max. output power		W	0 W
Width in number of modular spacings			0
Short-circuit protected			true
Primary voltage		V	240 V
Secondary voltage 1		V	12 V
Secondary voltage 2		V	0 V
Secondary voltage 3		V	0 V
Secondary amperage 1		A	2 A
Secondary amperage 2		A	1 A
Secondary amperage 3		A	0 A
Temperature protection			false
Max. power loss		W	0 W
Suitable for surface mounting			false
Suitable for flush-mounting			false
