

European Mounting Hardware for LANmark

LANmark EU style 45 x 45 surface mount box white

Aginode Ref.: N200.116

- For all 45 x 45 modules
- Easy to install
- Integrated flush mounting ring
- Colour white (RAL 9010)
- Also available in ivory
- 40mm usable depth

DESCRIPTION

This surface mount box has a number of important features.

It not only fits with all LANmark 45x45 mounting hardware, it is also compatible with Mosaic-45 modules and inserts.

Application

- The box is designed to accommodate Aginode flat or angled 45x45 modular outlets for Snap-In connectors, as well as the LANmark-5 PCB outlet range.

Guarantees

- All plastic material is UL 94V0

Installation

- The surface mount box consists of 2 parts:

1. Body with coverplate and integrated flush mounting ring.
2. Central covering plate (outer dim. +/-66x66mm, inner dim. 45x45mm)

- The 45x45 outlet modules can easily be clipped into the body of the box.
- The central covering frame closes and finishes the surface mount box by a simple click-in mechanism.
- The box has reinforced fixing points in 2 diagonal corners.
- Easy cable entrance thanks to central break-outs on every side of the box, accepting 1 or 2 cables.
- The 45 x 45 surface mount box is completely open inside and has no rear side. This allows an easier arrangement of extra cable length during installation.

CHARACTERISTICS

Construction characteristics

Colour

White RAL 9010

Dimensional characteristics
