Long, Intense or Espresso - Always SENSEO® Choose your favorite recipe with Intensity Plus

Enjoy great tasting SENSEO® coffee with care for the planet. The intuitive Intensity Plus slider lets you savor three delicious well-balanced flavors with a flick of a switch. You can fine-tune a recipe to your taste with the memo function.

Coffee variety for every moment

- Intensity Plus for long, intense and espresso recipes
- Memo function to fine-tune a recipe to your exact taste
- Crema Plus for a finer and more velvety cream layer
- Vast variety of SENSEO® coffee blends and flavors

Created with the environment in mind

- Less energy consumption and more recycled materials
- Direct start makes your coffee when the machine is heated up
- Machine tested >10.000 times to ensure consistent quality

More convenience

- Intuitive Slider to brew your favorite coffee effortlessly
- Adjustable spout to fit your favorite cup or mug
- The only coffee pad machine that brews 2 cups at a time
- The decalcifying lights reminds you when to descale
- Removable drip tray for easy cleaning

Highlights

Intensity Plus

Choose your favorite coffee effortlessly with Intensity Plus. Flick the switch to classic smooth, intense long or rich espresso, and your next cup of SENSEO® is on the way.

Memo function

Enjoy a flavor which is your own by saving a recipe finely tuned for ideal intensity and volume. Savor a cup of SENSEO® brewed just how you like it, every time.

Reduced environmental impact

Fewer components, less energy consumption and more recycled materials ensure it is more environmentally friendly before, during and after its life with you.

Crema Plus technology

Crema Plus technology produces the finest, most velvety crema layer for every cup of SENSEO® coffee.

Adjustable real metal spout

Adjust the spout's position to fit your favorite cup or mug.

Direct start and shut off

The direct start makes your coffee straight after the machine has heated up. After making coffee your SENSEO® machine switches off automatically for energy saving.

One-button simplicity

This coffee machine is designed to prepare one or two cups of delicious SENSEO® coffee with the single press of a button.

Variety of blends and flavors

The vast range of SENSEO® coffee blends contain distinctive, carefully balanced flavors to ensure there is always a flavor that matches your taste.

Tested 10,000 times

Our appliance development is rigorous, testing with 10,000 cups of coffee to ensure maximum quality and durability.

1 or 2 cups at the same time

Prepare one or two cups of delicious SENSEO® coffee in less than a minute.
