

AMRC ONE CLICK SOLUTION POLE MOUNT LARGE

Pole Mount Large

Is designed for mounting up to three Airscale units on a vertical structure together with Cue Dee Chain Strap.

Flexibility

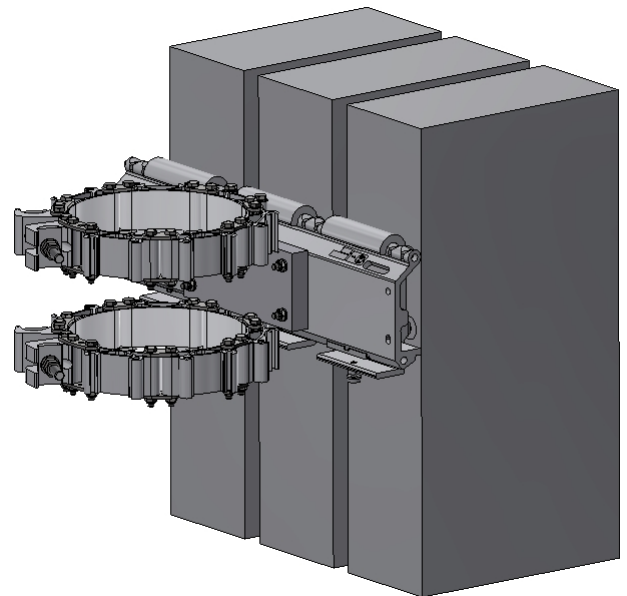

Together with the Cue Dee Chain Strap the Pole Mount Large can be installed on any pole from Ø110 mm up to Ø1000 mm.

Quality

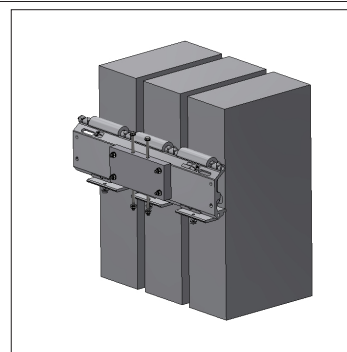

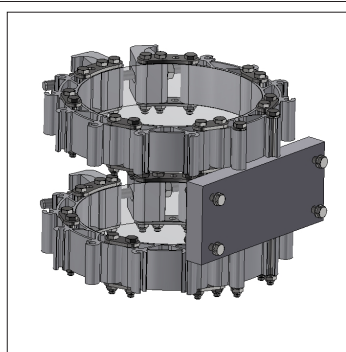

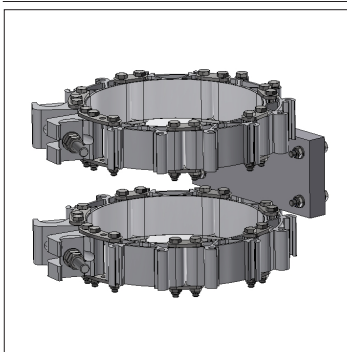

All components are made of anodized aluminium and acid proof stainless steel. This ensures a very long lifespan and low maintenance costs.

Easy Assembly

The choice of materials makes the product very light which in turn makes the handling and installation very easy.
