

## M40 Polyamide (PA) Gland Light Grey (20-27mm)

### Basic data:

|      |               |
|------|---------------|
| ID   | 0004410011    |
| GTIN | 7630268414986 |

### Features:

Nylon cable gland M40 with lock nut light grey

### Technical data:

|                                |                         |
|--------------------------------|-------------------------|
| Thread type:                   | Metric                  |
| Nominal thread size metric/PG: | 40                      |
| Pitch thread:                  | 1.5 mm                  |
| Thread length:                 | 15 mm                   |
| Wrench width:                  | 46 mm                   |
| Hexagon angular dimension:     | 50.6 mm                 |
| Suitable for cable diameter:   | 20 ... 27 mm            |
| Material:                      | Plastic                 |
| Material quality:              | Polyamide (PA)          |
| Surface protection:            | Untreated               |
| Halogen free:                  | Yes                     |
| Degree of protection (IP):     | IP68                    |
| Shock resistant:               | Yes                     |
| Colour:                        | Light grey              |
| RAL-number:                    | 7035                    |
| With locknut:                  | Yes                     |
| Model:                         | Straight                |
| With strain relief:            | Yes                     |
| Type of sealing:               | Sealing ring            |
| Operating temperature:         | -40 ... 100 °C (static) |
